NRA 150A PROGRAM REQUIREMENTS

This packet of forms and information is essential for you to obtain all the needed requirements for our program. (See Bullets Below)

At your orientation meeting you will be given an overview of the program, review the class calendar, and explanation of all the requirements.

Please submit your paperwork to the Health Science office, Room 4062, in the Race Building after making copies for yourself.

If you are on the waiting list, the admissions office will automatically put you on the roster by priority of the date you registered whenever a student drops.

****It is strongly recommended those on the wait list come to the first day of class as those who aren't there will have to be dropped****

Please attend the orientation meeting and the first day of class to see if you make it into the class.

- Screening Checklist Use this to keep track of all your paperwork. Notice the starred items and the need to start with PPD #1 ASAP
- General Immunization Information Sheet
Gives you more information and approximate costs.
- 2 Step PPD FAQ
- CNA Orientation Cost Sheet
These costs are approximate. Please see a financial Counselor if necessary. The SRJC Hope Center is also able to provide some financial assistance.
- Book List for NRA 150A
- CNA Attire & Supplies
- CPR Resource List
CPR Certification must be for the Health Care Provider and approved by the American Heart Association (AHA).
- CNA Student Phone Directory
- Request for Live Scan Service
You will need this information to get your Live Scan fingerprinting done.

“2 STEP PPD” FAQ

WHAT IS A PPD?

It is a TB test. You get a small amount of solution injected with a tiny needle just under the skin of the inside of your forearm. It needs to be read in 48-72 hours, then the process is repeated 1 week later in a 2-step PPD. If the area is red or raised ("indurated") it may be considered a positive PPD. This does not usually mean you have TB, but you may have been exposed. The other possibility is a false positive reading.

WHAT DOES IT MEAN TO HAVE A 2-STEP PPD?

This means you have a PPD as described above, then the day it is read you make an appointment to come back in 1 week for another (2nd) PPD, which also needs to be read in 48-72 hours after the 2nd one is placed. Again no exceptions on the time line.

MY DOCTOR SAID I ONLY NEED ONE!

The college and the hospitals require a 2-step PPD as described above.

WHERE CAN I GET THE 2-STEP PPD's DONE?

Free at Student Health Services, located on the 1st floor of the Race Building, but you need to make appointments, you can't just drop in. You can also have this done at your doctor's office.

REQUEST FOR LIVE SCAN SERVICE

http://ag.ca.gov/fingerprints/forms/BCIA_8016.pdf (see next page for example)

All students entering the CNA program are required to obtain a Live Scan (fingerprint) criminal background check. This must be completed by the deadline provided by the CNA program director. The results of the Live Scan are evaluated by the California Department of Public Health (CDPH). The CDPH office must approve and clear you for clinical prior to clinical placement. **It is the student's responsibility to contact CDPH to obtain clearance by calling the automated system at (916) 327-2445.** <https://www.cdph.ca.gov/Programs/CHCQ/LCP/Pages/CNA.aspx>

If a student cannot be cleared for clinical due to inability to complete the background check or previous background issues, the student will not be able to participate in clinical, which is a program requirement. In the event that a student is found ineligible for clinical placement by the clinical facility after admission to the CNA program, they shall be subject to dismissal from the program, as they will be unable to complete the mandatory clinical course objectives.
