NRA 150A PROGRAM REQUIREMENTS

Welcome to the SRJC Nursing Assistant Program. This packet of forms and information is essential for you to obtain all the needed requirements for our program. (See Bullets Below)

At your orientation meeting you will be given an overview of the program, review the class calendar, and explanation of all the requirements. It is recommended that you not purchase any items until you are confirmed as being in the class. Also, there is grant funding in place that pays for many items; this changes each semester. For these reasons, please wait until **after** the Orientation to fulfill program requirements. For any questions, please contact the Program Director.

Please submit your paperwork to the Program Director after making copies for yourself.

If you are on the waiting list, the admissions office will automatically put you on the roster by priority of the date you registered whenever a student drops.

****It is strongly recommended those on the wait list attend the first day of class as those who fail to show up will have to be dropped****

Please attend the orientation meeting and the first day of class to see if you make it into the class.

- Screening Checklist Use this to keep track of all your paperwork. Notice the starred items and the need to start with TB testing ASAP
- General Immunization Information Sheet
Gives you more information and approximate costs.
- 2 Step PPD FAQ
- CNA Orientation Cost Sheet
These costs are approximate. Please see a financial Counselor if necessary.
- Book List for NRA 150A
- CNA Attire & Supplies
- CPR Resource List
CPR Certification must be for the Health Care Provider and approved by the American Heart Association (AHA).
- CNA Student Phone Directory
- Request for Live Scan Service
You will need this information to get your Live Scan fingerprinting done.

CNA SCREENING CHECKLIST

****KEEP COPIES OF EVERYTHING YOU TURN IN****

Item	Due Date:	Turned In:
<p>*PPD #1 (TB Test) To be done BEFORE class starts, to be read in 48-72 hours. If positive for TB get chest x-ray clearance form from Student Health Services.</p> <p>*PPD #2 (TB Test) To be done BEFORE class starts, one week after #1. Read in 48-72 hours.</p> <p>CPR “Health Care Provider”; must include Adult, Child, Infant, Choking Maneuvers and AED (Automatic External Defibrillator). Must be approved by the American Heart Association (recertify every two years).</p> <p>Live Scan Verification application. Fill out using information given and bring with you for Live Scan appointment.</p> <p>Photo I.D. fee receipt (bring to class). Purchase at Bailey Hall Accounting Dept. We suggest purchasing two.</p> <p>*Flu Shot (FALL Semester ONLY), must get by 2 weeks prior to clinical.</p> <p>*Physical Evaluation (See Health Evaluation Form info on page 11)</p> <p>*COVID Vaccine + eligible booster(s)</p>		

*PPD's, Flu Shots, and COVID Vaccine can be obtained at Student Health Services. Please contact Student Health Services to schedule an appointment: (707) 527-4445.

IMMUNIZATION INFORMATION SHEET

Name of Injection:	How Many Injections	Time between Injections	Approximate Charges
PPD Test (Tuberculosis /skin test)	Two (see FAQ below) OR Negative Chest X-Ray OR Quantiferon Gold (blood test)	1 week	Free @ Student Health Services Schedule #1 Read one week later. #2 placed on that day. Read 2-3 days later.
Influenza Vaccine	One injection	Once each year Generally given Sept-Dec.	\$10 - 20 May vary
Covid Vaccine	Varies depending on type of vaccine. Please visit CDPH or CDC for current info.	Varies	Free @ Student Health Services

“2 STEP PPD” FAQ

WHAT IS A PPD? It is a TB test. You get a small amount of solution injected with a tiny needle just under the skin of the inside of your forearm. It needs to be read in 48-72 hours, then the process is repeated 1 week later in a 2-step PPD. If the area is red or raised ("indurated") it may be considered a positive PPD. This does not usually mean you have TB, but you may have been exposed. The other possibility is a false positive reading.

WHAT DOES IT MEAN TO HAVE A 2-STEP PPD? This means you have a PPD as described above, then the day it is read you make an appointment to come back in 1 week for another (2nd) PPD, which also needs to be read in 48-72 hours after the 2nd one is placed. Again no exceptions on the time line.

MY DOCTOR SAID I ONLY NEED ONE!

The college and the hospitals require a 2-step PPD as described above.

WHERE CAN I GET THE 2-STEP PPD's DONE?

Free at Student Health Services, located on the 3rd Floor of Bertolini, but you need to make appointments, you can't just drop in. You can also have this done at your doctor's office.

Please note that if you have received the BCG vaccine, then you should NOT get a PPD test. We also accept a negative Chest X-Ray OR a Quantiferon Gold Test. Please contact Student Health Services for more information.

WEB LINKS TO FORMS (PRINT OR READ)

SRJC Health Evaluation Form: Web site: <https://nursingassistant.santarosa.edu/> (link on Right hand side)

****Be sure to bring this form with you to your physical exam; your doctor will sign it****

All students entering the CNA program are required to obtain a Live Scan (fingerprint) criminal background check. This must be completed by the deadline provided by the CNA program director. The results of the Live Scan are evaluated by the California Department of Public Health (CDPH). The CDPH office must approve and clear you for clinical prior to clinical placement. **It is the student's responsibility to contact CDPH to obtain clearance by calling the automated system at (916) 327-2445.**

<https://www.cdph.ca.gov/Programs/CHCQ/LCP/Pages/CNA.aspx>

If a student cannot be cleared for clinical due to inability to complete the background check or previous background issues, the student will not be able to participate in clinical, which is a program requirement. In the event that a student is found ineligible for clinical placement by the clinical facility after admission to the CNA program, they shall be subject to dismissal from the program, as they will be unable to complete the mandatory clinical course objectives.

EXAMPLE OF LIVE SCAN FORM: Copies will be provided during first day of class.
